CELEBRATING 15 YEARS

The 15th Jubilee of Anil Arjandas Jewels is here and with it a serie of unique and outstanding pieces

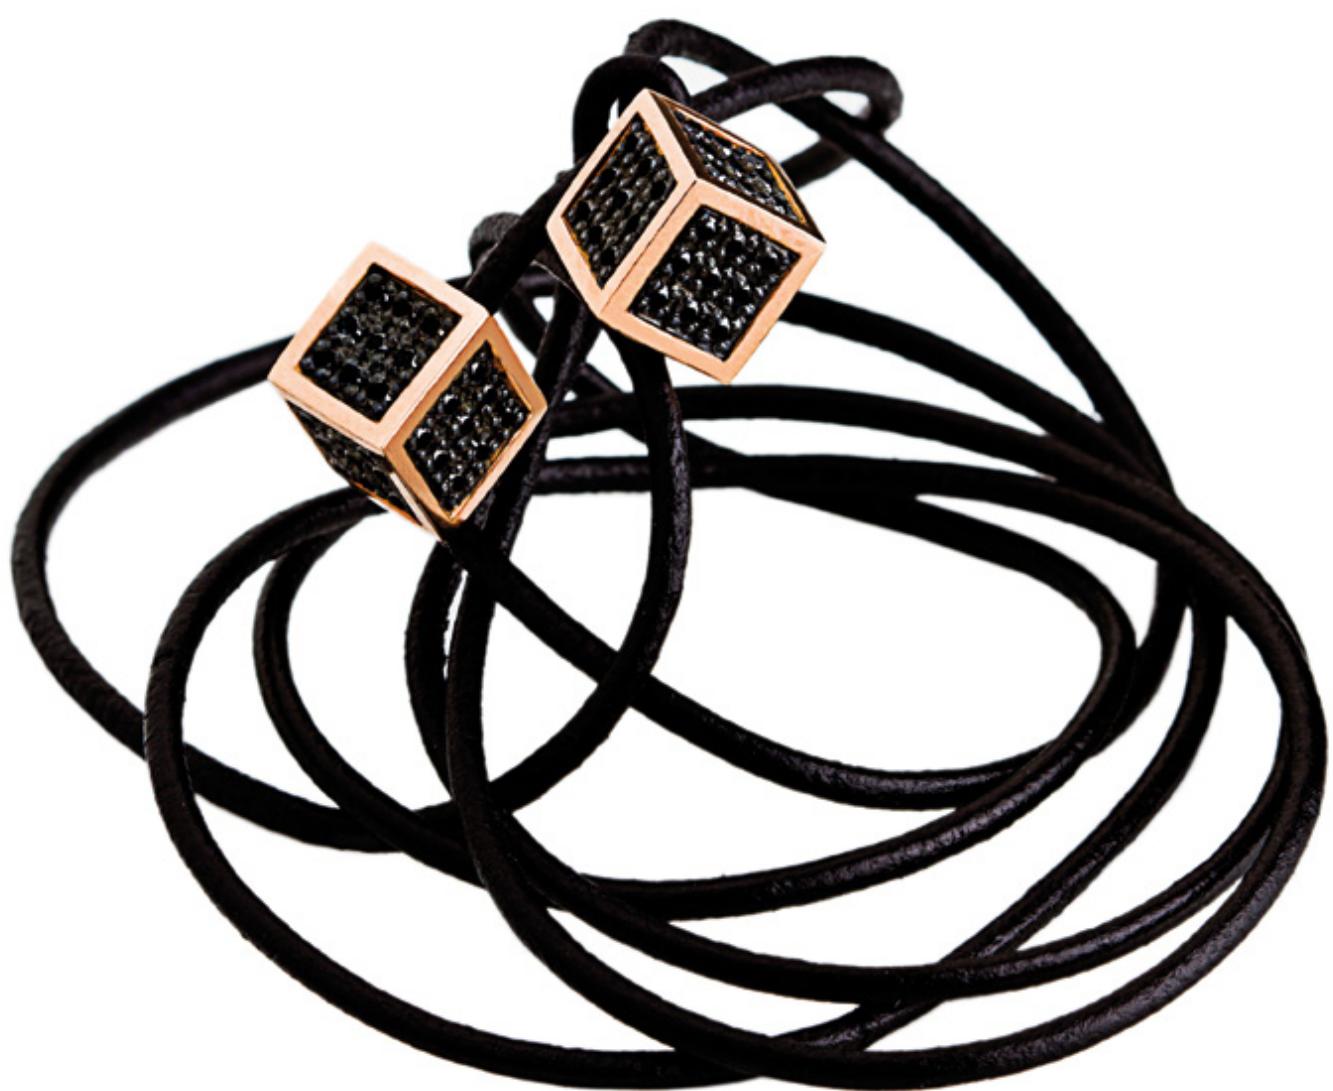

Anil Arjandas Jewels celebrates its 15th anniversary!

The year 2015 is the year of the 15th jubilee for Anil Arjandas Jewels! It all started back in 2000 when CEO, founder and designer Anil Arjandas created his first fine jewelry piece due to a simple reason - there was nothing similar available on the market at that moment.

In celebration of its 15th anniversary, Anil Arjandas Jewels delivers two different collections.

There are the legendary leather bracelets, first pieces ever created under the brand name Anil Arjandas Jewels. These fashionable black leather wrap bracelets are a luxurious way to incorporate the aesthetic. Mixture of diamonds, 18K rose gold or oxidized silver, with spikes or dices bring glint of dashing attitude.

Second part of the anniversary collection has a series of outstanding and unique pieces. One of them being an exotic, rare emerald ring of 9,48 carats, surrounded by tear drop white diamonds in white gold. A true statement!
