THE 2016 CAMPAIGN WITH THE LATEST COLLECTIONS TAKES US ON A JOURNEY THROUGH INNOVATIVE IDEAS AND REMARKABLE, DAZZLING DESIGN. THE NEW CREATIONS HAVE MOVED ON TO SOMETHING SPECTACULAR AND ORIGINAL. HIGHLY CRAFTED BRACELETS THAT CAN BE DESIGNED AND CUSTOMISED BY EVERY CLIENT WITH A COMBINATION OF DIFFERENT MATERIALS MAKES THE BRAND SUPER ATTRACTIVE FOR BOTH GENDERS.

COLLECTION OF SEMI-PRECIOUS STONES... GREAT ATTENTION IS GIVEN TO QUARTZ THIS SEASON. IT IS A NATURALLY GROWN CRYSTAL, WHICH HAS HEALING ATTRIBUTES.

Quartz, set in oxidized silver and encrusted in black diamonds will not leave anyone insensitive. The Crystal inspires every woman to be ambitious, proud and confident. It highlights the character of an idol woman.

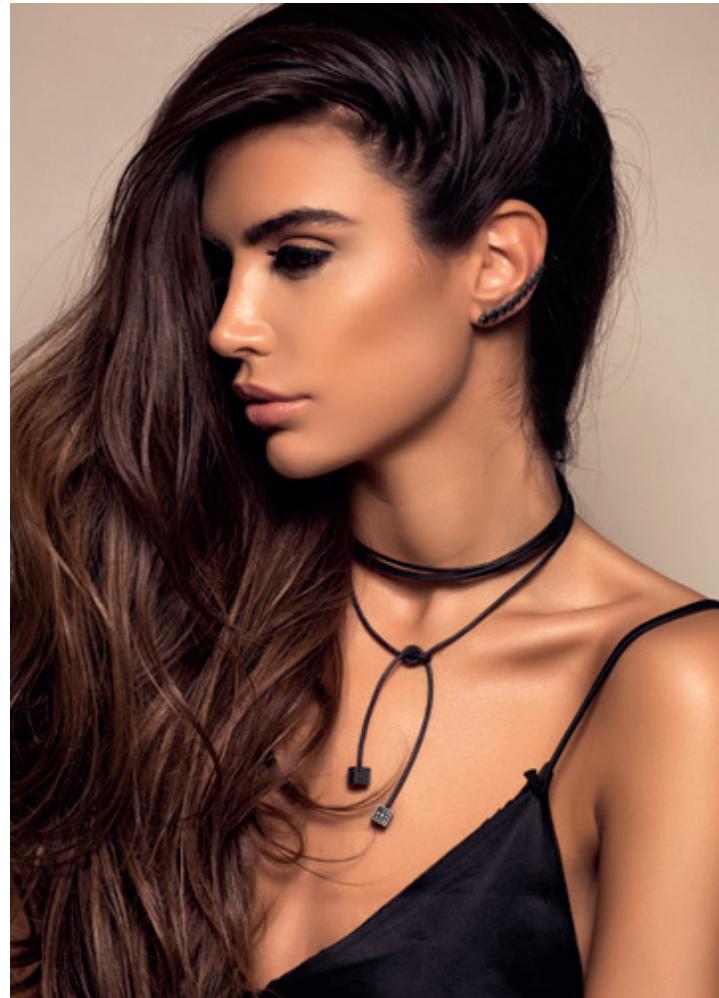

Pearl. One of nature's greatest miracles – Pearls. Anil Arjandas gives an opportunity to be a part of it. History carries the legend that pearls were formed from dewdrops that were swallowed by oysters when they fell into the sea. With such a rich ancient history, pearls are surrounded by myths and legends. Let Anil Arjandas creations whisper their valuable story.

Leather collection brings a new twist into the jewellery world. It is trendy, classic and modern. Leather has an ability to emphasize masculinity and feminine sexuality. In combination with diamonds, leather jewellery becomes highly sophisticated, with the luxury touch, and at the same time casual and practical.

The original bracelet. Extraordinary new collection from Anil Arjandas. Elegance and modernity hits their heights. The Original concept is created to meet everyone's taste. Silver, Gold, Semi-precious stones and diamonds are the key to open the new era of Originality. Play with colours and materials and become the designer of your personal style.

Bridal. Another twist in Anil Arjandas Jewels is the *Bridal* collection. The design introduces innovative ideas to a very special ring which is worn all life. Carefully chosen diamonds, handcraft and high attention to the details gives the opportunity to choose you dream ring. Innovation of design allows you to combine two different colours of gold and provides the most comfortable wearing.

The Original Bracelet

2016 WAS A BIG YEAR FOR ANILARJANDAS. AFTER SURPASSING MORE THAN A HALF MILLION FOLLOWERS ON INSTAGRAM, LAUNCHING THE FIRST PIECE OF JEWELERY MADE OUT OF SAPPHIRE CRYSTAL AND OPENING A NEW STORE IN MIAMI, HE NOW CLOSES THIS CHAPTER OF HIS LIFE IN A BIG WAY : BY LAUNCHING THE PRODUCT HE IS MOST PROUD OF SINCE HE STARTED HIS BRAND - THE ORIGINAL BRACELET.

After months of hard work and lots of prototypes, he came up with this fresh concept, a bracelet made by the customer himself. And just like that the customer becomes the designer, wearing his original creation, so... the piece becomes more personal and has a deeper meaning. The customer will be able to mix and match different colors and materials, like : gold, silver, diamonds, saphire, hematite, lapis lazuli and more. Another cool thing is the fact that the same bracelet can be customised whenever you want by only changing the small pieces or adding different ones.

That being said, it's pretty obvious why the new piece is called 'The Original Bracelet'. It's not just because it lets you customize your bracelet as you want, it's because it lets you search through your creativity, allowing every costumer to be himself and wear jewelry that represents their true self, making you, the costumer, be something the others cannot be : you.
